Health Care Contracted Services

Where We Are Now

Mrs. Cynthia O. Jelen
Chief, Pre-Award Division,
Center for Health Care Contracting

Type of Contract

- Indefinite Delivery-Indefinite Quantity (IDIQ)
  - Definition: provides for an indefinite quantity, within stated limits, of services during a fixed period.
  - Allows for the ordering of services after requirements materialize (i.e. Task Order).
  - Multiple awards may be made.

Ordering

- Each contracting office will compete task orders among the basic contract holders.
- Individual orders will describe all services to be performed.

- Note: Other Army/DoD offices may compete orders within the contracts.
